Please Note:

1. You CANNOT test at home under the supervision of a parent or guardian. An adult test supervisor may administer the test in your home, provided your parent is not in the room. You are welcome to test at another person's home or business. This rule applies to both paper tests and online testing.
2. When submitting an application for ESA admission, include a signed statement from the test supervisor.
3. This statement must attest to the facts that the student received no help from anyone during the test and that he/she accessed no "outside materials" during the test time.
4. It must show where the test was administered, by whom the test was administered and his/her relationship to the student, and when the test was administered. Sponsors will accept these signed statements along with the proof of test score. ESA reserves the right to contact the test proctor to verify the statement.

Students MUST have a test score to join ESA. Please follow the standards for the test scores.

These test guidelines apply to all. Students must meet the test score criteria BEFORE joining ESA. Students are not to be "provisionary members" waiting for a test score....
